

Deura Information Security Consulting Privacy Policy

1. Introduction

We at DISC InfoSec are committed to protecting your privacy. This Privacy Policy outlines how we collect, use, disclose, and safeguard your information when you visit our website www.DeuraInfoSec.com, use our services, or interact with us in other ways.

2. Information We Collect

- **Personal Data:** We may collect personally identifiable information, such as your name, email address, and other contact details.
- **Usage Data:** We may collect information on how our services are accessed and used, including your IP address, browser type, and pages visited.

3. Use of Your Information

We may use the collected data for various purposes:

- To provide and maintain our services
- To notify you about changes to our services
- To allow you to participate in interactive features of our services
- To provide customer support
- To gather analysis or valuable information to improve our services
- To monitor the usage of our services
- To detect, prevent, and address technical issues

4. Disclosure of Your Information

We may share your information in the following situations:

- **With Service Providers:** We do not share your information with third-party service providers to perform services on our behalf.
- **For Business Transfers:** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- **With Affiliates:** We may share your information with our affiliates, in which case we will require those affiliates to honor this Privacy Policy.
- **With Your Consent:** We may disclose your personal information for any other purpose with your consent.

5. Data Security

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse.

6. Your Data Protection Rights

Depending on your location, you may have the following rights regarding your personal data:

- The right to access – You have the right to request copies of your personal data.
- The right to rectification – You have the right to request that we correct any information you believe is inaccurate or complete information you believe

7. California Invasion of Privacy Act (CIPA) section

- DISC InfoSec (Deura Information Security Consulting LLC) operates its website in compliance with the California Invasion of Privacy Act (Cal. Penal Code §§ 630–638.55). This section describes how electronic communications on this website are handled.

7.1 All-Party Consent Notice

California law requires the consent of all parties to any confidential communication before it may be intercepted, recorded, or monitored. By submitting information through any form on this website, initiating a chat session, or sending an email inquiry, you acknowledge and consent to the processing of that communication by DISC InfoSec and its authorized platform service providers (including our website hosting provider, IONOS SE) as necessary to receive, route, and respond to your inquiry.

7.2 No Session Recording or Behavioral Surveillance

DISC InfoSec does not deploy session replay software, keystroke logging tools, or behavioral surveillance scripts on this website. We do not use third-party advertising trackers, pixel tags, or behavioral profiling systems that intercept the contents of your communications in transit.

7.3 Third-Party Service Processors

This website is hosted on the IONOS My Website platform. As a platform service provider, IONOS may process technical transmission data (such as IP address, browser type, and server request logs) as part of normal website operation. This processing is governed by IONOS's data processing agreement and privacy policy. DISC InfoSec maintains a data processing agreement with IONOS consistent with applicable privacy law.

This website may display embedded content from Google (including Google Maps). Google's collection of data through embedded content is governed by Google's Privacy Policy (policies.google.com/privacy).

We recommend reviewing Google's policy if you have questions about data collected through embedded services.

7.4 Telephone Communications

All telephone calls to or from DISC InfoSec may be recorded for quality assurance and documentation purposes. California law requires all-party consent. By initiating or receiving a call with DISC InfoSec, you consent to such recording. If you do not consent, please notify us at the beginning of the call and we will conduct the call without recording.

7.5 Your Rights under CIPA

If you have any questions or concerns about your communications, please contact us at info@deurainfosec.com
